

BARTON CREEK

MASTER ARCHITECTURAL COMMITTEE VARIANCE APPLICATION

Date: _____ Lot/Block: _____ Subdivision: _____

Address: _____

Owner: _____ Builder: _____

Architect: _____

An application fee of \$750 must be submitted for each variance request. A \$1,000 fee is required for those violations which have already been constructed and not approved. Fees are payable to the Barton Creek North Property Owners Association. In the event the request is denied, the owner/builder/architect may appeal the decision within 30 days of the Committee's initial action without incurring additional fees. The Board will accept an appeal that has additional or revised information up to 30 days after the initial Committee decision. After that, a new variance form and fee will be required.

Variance Description:

Justification for Variance:

FOR BOARD USE ONLY

_____ Approved as submitted _____ Returned for more information
